

We've got everything you need to start your own river adventure.

It all happens at the Boat House in Echo Dale Park. Drop by any afternoon to **rent a canoe**, get a few paddling pointers, or purchase a guide book.

Canoes and open kayaks cost \$10 an hour, or \$30 a day. Paddle at Echo Dale Boating Lake or take the boats to other destinations. What a great family activity! Good for parent-youth bonding, too. The boats come with paddles, personal flotation devices (PFDs or life jackets) and all safety equipment.

If you are new to paddling, some instruction will help you look and feel more confident. You will have more fun, and your family at home will rest easier knowing you are prepared.

Ask about the dates of up-coming lessons.

**Call 403-866-5456
for more information.**

Trippers: we can shuttle your vehicle to your take-out point. This lets you end your trip on a high point, without a tedious drive. The cost of this service is \$1.00/km from Echo Dale (one way). i.e. \$20 for Strathcona Island Park.

Sit-on-top kayaks are very safe and stable.
